

Little Christmas Tree

Christmas are approaching, and so is this wonderful, magical time. Everyone decorates their houses... Let me help you with some ornaments – if you like them, there is the pattern for colourful Christmas trees :)

If anything isn't clear or if you find any mistakes in the pattern feel free to email me (december@takosan.pl), I'll be happy to help :)

Little Christmas Trees are 5 cm tall. They are worked in spiral, no joining rounds, and also – no sewing! You make two pieces, tree and trunk.

Prepare for crocheting them:

- * sport weight yarn – I used YarnArt Jeans, about 30 meters for each tree (you are welcome to use any yarn you like, but remember to use matching hook! Also, measurements will change)
- * 3 mm hook
- * thread, beads etc. to decorate tree
- * soft stuffing
- * yarn needle

Abbreviations – US terms
